

CE Certification EN 1078

Applus IDIADA, as an accredited laboratory by ENAC, offers a complete certification service for bicycle helmets, considered as PPE, certifying according to Regulation EU 2016/425 and the harmonized standard EN 1078.

The entire certification process is carried out at our laboratories, as Applus IDIADA is recognized by CEN as a Notified Body. We offer a controlled, high-quality testing process with short delivery times.

THE COMPANY

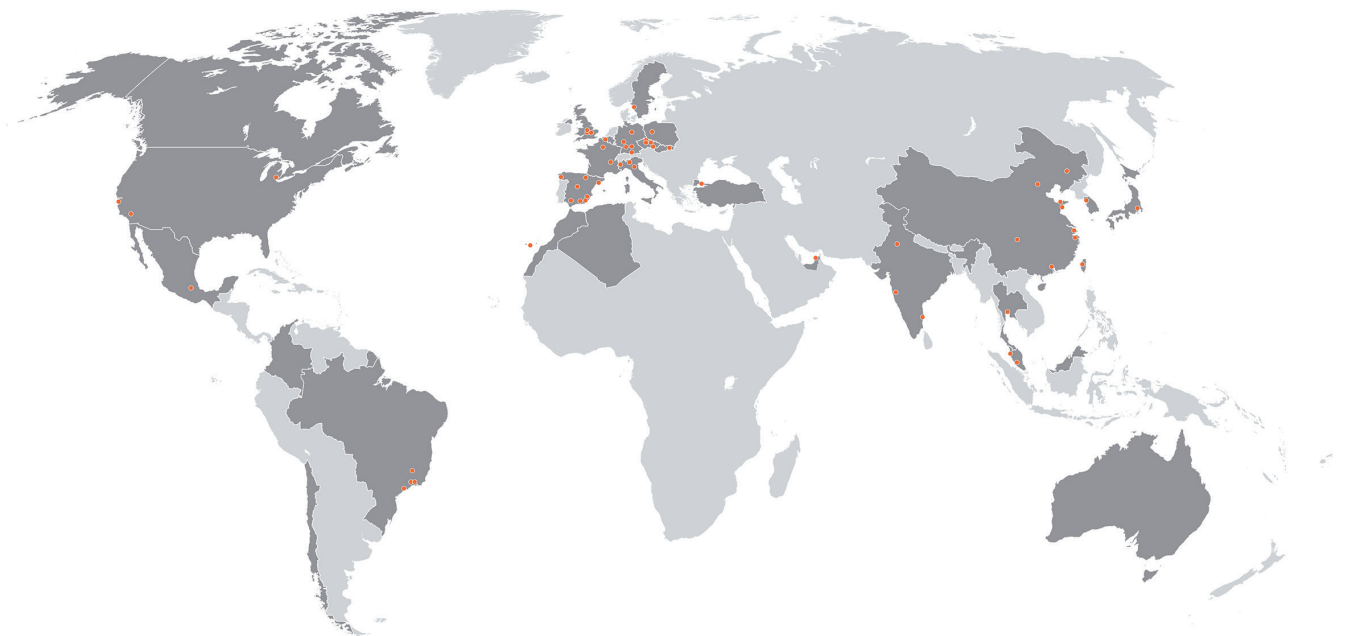

Applus IDIADA is an officially recognized Technical Service for European Approval of vehicles and components.

Accredited by the whole list of European EU Directives and UN/ECE Regulations, applicable to all vehicle categories, Applus IDIADA is also able to carry out tests according to standards valid for self-certification.

Testing and homologation of components is one of the company's main areas of expertise.

Applus IDIADA is a member of the Working Groups in Geneva (United Nations) and Brussels (European Union) where vehicle regulations are created and developed.

Applus IDIADA's Headquarters and Technical Centre are situated 70 km south-west of Barcelona, Spain. The company has an international network of subsidiaries and branch offices throughout Europe, Asia and South America (Belgium, Brazil, China, Czech Republic, France, Germany, India, Italy, Japan, Malaysia, Mexico, Poland, Slovakia, South Korea, Spain, Sweden, Taiwan, Thailand, Turkey, UK, USA and Vietnam).
